

SHREWSBURY MONTESSORI SCHOOL

Excellence in Montessori Education for Children Age Three Through Grade Six
ONE SCHOOL - TWO CAMPUSES

What is the Annual Fund?

The Shrewsbury Montessori School Annual Fund is vital to the operation of both Shrewsbury and Auburn campuses. These critical dollars cover the gap between revenue from tuition and the real cost of offering a Montessori Education. The Annual Fund also provides a tax-deductible means for our school community to contribute to our school.

The Annual Fund is raised each year as a vital source of expendable dollars that goes beyond our school operating budget. This includes necessities like building and grounds maintenance such as new windows for Shrewsbury and better walkway lighting for Auburn, new classroom materials and enrichment programs that are traditional experiences our children have come to expect each year. The Shrewsbury Montessori School Annual Fund offers alumni, parents, and friends the opportunity to strengthen our School through their annual unrestricted gift.

What does the Annual Fund support?

The Annual Fund provides dollars that can be used now to give Shrewsbury Montessori School and Montessori Children's House of Auburn the discretionary ability to meet institutional needs, act on new initiatives throughout the year, and ensure the excellence of every aspect of SMS.

Why does Shrewsbury Montessori School need gifts?

The Annual Fund covers the gap between revenue from tuition and the real cost of offering a Montessori education. Our tuition covers normal operating and academic expenses. The cost of enrichment programs and facility improvements outside of normal maintenance exceed tuition revenue. Each year, we reach out to all members of the school community and ask you to support our students by giving to the Annual Fund. Grant-making foundations prefer to support an organization that is broadly supported by its members and we are more successful winning these grants with a strong Annual Fund. Finally, the Fund's flexibility enables the Head of School to tailor support as circumstances change.

How does Shrewsbury Montessori School solicit for the Annual Fund?

Our school fiscal year is July 1st through June 30th. Currently the Annual Fund mails solicitations to parents and friends who have not yet made an Annual Fund gift within the current fiscal year. These letters will be followed by telephone calls from parent or Board volunteers. Please consider making your gift early in the year to help reduce postage and telephone costs.

Does my gift make a difference?

Each and every gift, regardless of size, has a positive impact. Your gift, combined with the others, provides crucial support for SMS/Auburn students and faculty. Your employer may also participate in a Matching Gift program. Gifts may be made in the form of securities, "In-kind" support (contributions of equipment, supplies, or other property) and professional services. Although unrestricted gifts are preferred, you may specify where you would like your gift to be used. Ask your Human Relations department for a matching gift form. Our tax ID number is: 202035495.
